

### MAKE A BOOK TRAILER

Using iMovie, create a digital book trailer to represent your book. Depict a scene from the book in a one-minute book trailer. This is a whole-group activity!

Click here for a great example of a digital book trailer for Rebecca Thomas' book, *I'm Finding My Talk*.

### DID YOU KNOW?

And while not exactly a book trailer, Digitally Lit Youth Ambassador Zaid Hassan had a lot of fun creating [this video](#) to share a super engaging Atlantic Canadian book review of the YA historical fiction book *Dusty Dreams and Troubled Waters*.
