

FAN FICTION PDF EBOOK

INSTRUCTIONS

Build on the story of your book by adding to any aspect by creating your very own PDF EBook. For example, imagine what adventures your characters get into five, even ten years from now... come up with a dramatically different ending to the book, and so on. Just keep it short (1-2 pages). Use "Book Creator" or check out the *Ditch That* textbook for ideas!

DID YOU KNOW?

One of Digitally Lit's Youth Ambassadors, Ainslie from Nova Scotia, launched an online creative writing campaign called **FLASH** (Feature Literary Atlantic Selections Here) **Atlantic Fiction!**

Do you like to write creatively in short bursts?

If so, I've got just the assignment for you! The FLASH Atlantic Fiction creative writing campaign invites you to use prompts sourced from Atlantic Canadian books and write a VERY SHORT story (...in just 300 words or less!). Follow me at FLASH Atlantic Fiction on Instagram

@flash.atlantic.fiction for writing prompts!
Submit your creative writing either at Instagram or email me at flashatlanticfiction@gmail.com for a chance to have it featured!

...and here's an example of one of her prompts 😊.
